Wine Experts Sherwood Deutsch and Michael Misch have traveled the globe collecting fantastic, affordable wines for your enjoyment.

When selecting wines, they look for three things:

1. Taste as good as—or better than—wines costing twice as much;
2. Reflect the character of the region where they're made; and
3. Pair beautifully with food. Give them a try, and taste what makes these discoveries so special.

Pinot Grigio- Wild flower bouquet, hints of honey; soft, fresh, lively with pleasant lingering taste of ripe pears.
Try it with- Shellfish, salads, white meat, fish, antipasto.

Montepulciano D'Abruzzo- A medium-textured wine with an intense berry-like bouquet. The blackberry jam flavor and good tannins will balance elements in Italian foods without overpowering them.
Try it with- Chicken Parmesan, grilled veggies, beef and red-sauce pasta meals.
